208 Width 200mm Depth 83mm Weight 20 Kgs  
Excel 2-Piece Milling Machine Vices  
3-125-200

#### Product details

- For extra long work, utilise full length of machine bed.
- Work piece is located on bed and can be keyed to table slot for accuracy.
- These are much lighter to handle than one piece vice of same capacity. Quarter turn of detachable handle clamp works firm enough for heaviest cuts.

#### Specifications
