

EUM400
Excel Universals Mills with Autocycles
1-260-000

Product details

- Extra Heavy Duty construction of the machine enables you to take large cuts.
- Auto Cycles reduce the production time and increase your profitability. Power Feed & Rapid in all directions, i.e. X,Y, & Z for speed and ease of use.
- Controls are positioned for easy accessibility and operator use.
- Centralised Forced Lubrication ensures lubrication to all parts otherwise inaccessible.

Specifications

Approx Weight	2925kgs
Cross Travel Hand	360mm
Cross Travel Power	340mm
Feed Rate	12.5-630mm/min
Height	1792mm
Length	2360mm
Longitudinal Travel Hand	1250mm
Longitudinal Travel Power	1230mm
No of spindle speeds	18
No of T Slots in Table	5
Overall Length of Table	2150mm
Rapid Feed Rate	2500mm/min
Speed Range	32-1600 rpm
Spindle Motor kW	7.5kw
Spindle Nose ISO	50
Table Swivel Left Right	45 Deg
Vertical Travel	460mm
Width	1990mm
Width of T Slots	18mm
Working Surface of Table Length mm	1600mm
