PL918 Imperial  
Pinnacle Hobby Lathes  
1-150-100

Product details

- Medium duty hobby lathe is rated for continuous use and will give you longer life expectancy.
- Headstock spindle is supported by high precision large diameter bearings.
- High speeds of machine allow you to work faster and increase your profitability.
- Hardened and ground V guide ways provide you with accuracy, rigidity and long working life.
- Norton type gearbox enables you to cut a large range of metric and imperial threads without the need of changing individual gears.

Specifications

Distance between centres mm DBC	450
Inch	8-56TPI
Length	995
Metric	0.4-3.0
Model	PL918 Imperial
No of spindle speeds	6
Range of longitudinal feeds	0.004-0.008inch/rev
Range of spindle speeds	100-1800
Spindle bore mm	19
Swing over bed mm	230
Swing over cross slides mm	140
Taper of tailstock quill	2MT
Travel of cross slides	127
Travel of tailstock quill	38
Weight	96Kgs
Width	635
Width of bed	115
