

PTS1 Width 1" Open 11/16" Depth 5/16" Lgth 2 1/2" Weight 1/2 Kgs
Excel HI-Precision Vices - Toolmakers
3-170-000

Product details

- Squared and parallelism guaranteed within .0002" on sides and bottom.
- Made of hardened steel and precision ground all over.
- Horizontal and vertical 'V' in moveable jaw.
- The no rise jaw construction exerts a continual downward pressure on the jaw, thus avoiding "raise" which is common to most vices.
